

# EGYPTIAN MUSEUM PROJECT

Dear Parents/Guardians:

We have been studying about the Ancient Egyptians and their past lives in our Social Studies class this last month and are excited to show all we have learned! Their entire project will involve three components, which were already discussed in class.

1. Each 6th grader will **create a replica of an Egyptian artifact**
2. They will prepare a **1 minute or less speech about an Egyptian character (assigned by me)**. Your child will be given time in class to research their given role as well as time to begin handwriting or typing their speech, however they may need additional time at home to complete this. **IF typed they are required to print this from home.**
3. On the day of Museum they are asked to come dressed as their character to the best of their ability. If you need simple ideas, please don't hesitate to ask! **Their speeches are due on Wednesday, February 15th.**

\*Artifact project directions were handed out on **Thursday, January 19th** and should be in your **child's binder under the Social Studies section**. Please review the project with your child. Students have been advised that they **DO NOT HAVE TO USE THE EXACT ART MATERIALS LISTED. AS LONG AS THE BASICS OF THE PROJECT REMAIN THE SAME, THEY MAY USE WHATEVER MATERIALS THEY WISH AND SHOULD USE THEIR OWN CREATIVITY AS MUCH AS POSSIBLE.** Please note that this artifact project assignment is to be done at **HOME**, there will be no class time given to complete this. Your child has chosen to complete the following project for our Ancient Egypt Artifact portion of the project:

\*Artifacts are due **Thursday, February 23rd**. These will not be accepted earlier because I do not have the storage room. Also, a decreased score will be given to any late artifact. If they are not received by the morning of **Friday, Feb. 24th** for a late grade, unfortunately they will not be able to be on display in our museum.

\***Our Egypt Museum will be held on Friday, February 24th** in the big gym. We encourage you, and anyone else that would like to come, to visit our Museum during your child's normal Social Studies class time to see all they have created and learned.

This time is from: \_\_\_\_\_ to \_\_\_\_\_.

\*Kindly acknowledge that you have read through the requirements for the project and have noted the final due date of the artifact project on **February 23rd**. Also, please look for more project details and directions in your child's Social Studies section of their binder or on my website under the Social Studies tab. Thank you and we look forward to seeing you there on Feb. 24th!

**Cut and Return signature portion only:**

Print Name of student: \_\_\_\_\_ Period: \_\_\_\_\_

Parent Signature: \_\_\_\_\_
